

CAMPSITES

We have 10 campsites each suitable to sleep 4-6 persons. Campsites make use of communal zones ~ ablutions, wash up sculleries. Our campsite has shade and grass. There are water points in some of the campsites. Each campsite has access to a plugpoint, lights and braai facilities. Some campsites have river views.

- Facilities :
- Braai Facilities
 - 3 prong plug point
 - 2 amps per site (peak periods) up to 10amps (out of season)
 - Lighting
 - Water point – campsite 1-5
